Responsible Officer: Cale Dendle - Chief Executive Officer

SUMMARY

Mayor Andy Ireland has submitted a 'Notice of Motion' in relation to Ocean Park Avenue.

COUNCILLOR RECOMMENDATION

THAT Council considers the matter of road safety on Ocean Park Avenue.

COUNCIL RESOLUTION

THAT:

1. Although not necessarily supported by traffic data collected over the past 12 months, Council recognises the concerns of some residents of Ocean Park Avenue about road safety caused by non-resident traffic "rat running" this through-route increasing traffic volume and speed and vehicle size on a road not intended for such purpose.
2. Accordingly, Council directs that:
    a. A permanent closure of the road is not an acceptable outcome.
    b. Council prefers other Local Area Traffic Management solutions such as vertical deflection (eg. speed humps) and will consult further on the preferred solution once detailed design has been completed.
    c. The outcome of the consultation, along with previous options analysis will be presented to as recommendations to Council.
3. While the latest review and consultation is undertaken, other traffic calming (temporary one lane slow point) will be installed along Ocean Park Avenue to enable the trial road closure to be discontinued.

Moved by: **Mayor, Councillor Ireland**
Seconded by: **Councillor Mather**
MOTION CARRIED UNANIMOUSLY

Cr Mather tabled a petition received from Leigh Murphy (Chief Petitioner) regarding the closure of Ocean Park Avenue Yeppoon:

"This petition aims to express our opposition to the closure of Ocean Park Avenue, Yeppoon. While acknowledging the need to address speed related issues, completely shutting down the road to all users is an extreme measure that requires a careful examination of alternative solutions. We oppose Councils approach and insist on transparency before any changes or trials are approved and implemented"

In accordance with the Meeting Procedures Policy, section 2.9 Petitions, Mrs Murphy's petition was 'received'.
